B.7 ADMINISTRATIVE RETENTION AMOUNTS

B.7.1 If the Contractor requests a price adjustment under B.8 below, the Contractor must present cost experience data that includes the retention amount. For purposes of any economic price adjustment, this retention amount is a fixed amount that is a part of the premium amounts in B.6. This retention amount will not be adjusted for any reason.

The retention amount is part of the premium and may include, but not be limited to, such costs as overhead and general and administrative costs. It will also include any profit. Essentially, it includes all costs except the actual portion of the premium intended to fund claims paid to the claimant.

B.7.2 sets forth the retention amounts per premium paid for each category of premium and for each period of performance.

**NOTE TO OFFEROR:** Fill in the fixed retention amounts for each period of performance and for each category of premium. This fixed amount must be expressed in the currency in which the premium amount is proposed. The fixed retention amount shall NOT be expressed in terms of a percentage of the premium.

B.8 ECONOMIC PRICE ADJUSTMENT (EPA)-LIFE INSURANCE PREMIUMS

B.8.1. Premium Adjustment Based on Experience: For life insurance, prices may be adjusted upward or downward based on the experience rating of the Mission(s) covered by this contract. No adjustment will be allowed during the first twelve months. After such time, the Contractor or the Government may request an adjustment in premiums on an annual basis. Adjustments are not retroactive to previous contract terms. Before any such adjustment is made, the Contractor agrees to provide the Government a balance sheet showing three main components for the time period: (1) receipts (premiums received) minus the retention amount, (2) number of insurance plans, and (3) claims paid. The information shall be provided per type of premium, i.e. per line item. The retention amount is not subject to adjustment. The Government reserves the right to select an independent third party to review the balance sheet and claims and make
recommendations regarding the appropriateness of the requested adjustment. Any adjustment shall be subject to mutual agreement of the parties and shall result in a written modification to the contract. Mutually agreed to adjustments shall be effective thirty days after complete information is received by the Government. Any failure to reach agreement under this clause shall be subject to the procedures in the Disputes clause.

B.8.2. Premium Adjustment Based on Law: The rates may also be adjusted during the performance period of the contract as a result of laws enacted by the host Government, if such change in the laws has a direct impact on the cost to the Contractor to perform this contract at the rate contracted for herein. In that event, the Contracting Officer may enter into negotiations with the Contractor to modify the contract to adjust the premium rate. The Contractor agrees to provide all documentation necessary to support any requested adjustment.
SECTION C
DESCRIPTION/SPECIFICATION/WORK STATEMENT

PART I - HEALTH INSURANCE

C.1. RESERVED
C.2.0 GROUP LIFE INSURANCE

The Government of the United States of America requires group life insurance coverage for its employees, as further described in C.2.2, in the Dominican Republic. The Government has determined that the prevailing practice by employers in the Dominican Republic is that group life insurance coverage is representative of locally prevailing compensation practice and that the cost of such insurance protection is borne 100 percent by the employer. Therefore, the Government desires to adopt such locally prevailing practice as part of its compensation plan for its employees as further described in C.2.2. The specific group insurance coverage under this contract is set forth in this part of Section C and the Attachments in Section J.

C.2.1. Group Life Insurance Coverage

The amount of group life insurance coverage is as follows:

C.2.1.1 Amount of Employee Life Insurance.

The amount of life insurance coverage for each employee is based upon employee’s basic monthly salary.

The employee’s estate will receive an amount equal to 20 (twenty) times the amount of monthly basic salary in the event the employee dies of natural causes.

C.2.1.2 Amount of Accidental Death and Dismemberment Coverage.

The employee's estate or employee will receive an amount equal to 24 (twenty four) times the amount of monthly basic salary, in addition to the life insurance benefit in C.2.1.1, in the event the employee is killed in an accident.

C.2.1.3 Partial and Total Disability Coverage

C.2.2 Life Insurance Benefits Conditions and Limitations
Conditions and limitations on the entitlement to life insurance benefits under this contract are as follows:

No benefits shall be payable if an employee's death or other insurance event was caused directly or indirectly by war. War shall be defined as declared or non-declared war or any martial operations or invasion, hostile acts of foreign powers, rebellion, riot, civil war, uprising, mutiny, operations by military or usurpatory authorities, martial law or state of siege or any other similar event or reason for declaring martial law or war. A terrorist attack shall not be considered war.

Death as a result of a disease or physical or mental infirmities and medical or surgical treatment thereof (except pyogenic infection due to an accidental cut or wound) shall be considered a natural and not an accidental death.

No benefit shall be payable under this contract if the employee's bodily injuries have been caused directly or indirectly and totally or partially by:

1) Violating the law or in resisting detention or arrest,
2) Participation in competitions involving the use of wheeled vehicles, horses, boats or water skis,
3) An accident resulting from the employee being under the influence of alcohol, drugs or other toxic substance unless administered by a physician.

An employee is considered active ("on the rolls") whenever such employee is on approved leave, whether paid or unpaid.

During a period of extended (beyond one pay period) of Leave Without Pay (LWOP) or unpaid leave, the employee is responsible for the full cost of the insurance premiums. The Mission will pay the premiums directly to the Contractor, and will collect the full cost from the employee on a quarterly basis. Alternatively, the employee may elect to have coverage cease if that employee prefers not to pay the premium.

C.2.7. Brochure Requirement

C.2.7.3. The Contractor assumes full responsibility for ensuring that the document described in C.2.7.1 accurately reflects the requirements of the contract, as implemented by the Contractor’s technical proposal. In all cases, the contract shall take precedence. Should the COR discover that the brochure contains inaccuracies, the Contractor will be notified in writing; however, failure on the part of the Government to notice any inaccuracies shall in no way limit, revise or otherwise affect the requirement under this contract for the Contractor to fully comply with all contract terms.

employees and dependents for insurance coverage.

G.2.4 The COR may not change the terms and conditions of the contract. While the COR is
authorized to provide the Contractor with updated listings of eligible employees and dependents,
only the Contracting Officer may modify existing task orders or issue new task orders, reflecting
these changes, since only the Contracting Officer can obligate funding and commit the
Government.

G.3. Payment shall be made in Dominican Pesos (DOP$).

G.4 SUBMISSION OF INVOICES AND PAYMENT

G.4.1. Invoices for U.S. Government employees shall be submitted by email to the Designated
Billing Office at the following address:

Financial Management Office
U.S. Embassy Santo Domingo
SantoDomingoPayments@state.gov
G.4.2. Frequency of Payments. All funds under this contract will be obligated by issuance of task orders, as described in H.3. Each task order will fund a specific period of time and number of employees, and the task orders will be issued at the frequency described in H.3. All payments under this contract will be made at the conclusion of the period covered. Invoices shall be submitted monthly with payments being made monthly by the Government.

G.4.3. U.S. Government Employees. The Government shall make payments directly to the Contractor for all Government employees, whether or not the employee is contributing to the premium amount.

G.4.4 ORE Staff. The Chief of Mission and/or Deputy Chief of Mission will make payment directly to the Contractor for the entire premium amount of the ORE staff, whether or not the ORE employee is contributing to the premium amount.

G.4.5. American Embassy Recreation Association (AERA) Staff. The Employee Association will make payment directly to the Contractor for the entire premium amount of the AERA employee, whether or not the AERA employee is contributing to the premium amount.

G.5  RESERVED

G.6  VALUE ADDED TAX

VALUE ADDED TAX (VAT). The Government will not reimburse the Contractor for VAT under this contract. The Contractor shall not include a line for VAT on Invoices as the U.S. Embassy has a tax exemption certificate with the host government.
SECTION H
SPECIAL CONTRACT REQUIREMENTS

H.1 SECURITY.

On occasion, a Contractor employee may require entry into U.S. Government-owned or operated facilities. If so, the Contractor should be prepared to provide the necessary identification to permit escorted access within that facility.

H.2 STANDARDS OF CONDUCT.

The Contractor shall maintain satisfactory standards of employee competency, conduct, cleanliness, appearance, and integrity and shall be responsible for taking such disciplinary action with respect to employees as may be necessary. Each Contractor employee is to adhere to standards that reflect credit on themselves, their employer, and the United States Government.

H.3 ORDERING PROCEDURES.

The Government will issue a task order as soon as possible after contract award to identify all employees to be covered by the insurance described in this contract and the coverage selected by each employee, including dependents to be covered. The COR will make subsequent additions or deletions to this list in writing and provide the revised list to the Contractor. All such revisions shall be consolidated, and a new or modified task order will be issued by the Contracting Officer. If any changes have been made to the coverage listing, the Government anticipates issuance of a new task order on a monthly basis. This new task order will include all changes made since the previous task order was issued and will include any increase or decrease in necessary funding. The changes to the list of eligible individuals will supersede the initial list provided under prior task orders without prejudice to the ineligibility clause. Task orders will indicate the effective date of employment, for purposes of calculating the premium due.

H.3.1 The ORE staff, and American Embassy Recreation Association (AERA) employees under separate riders are not included under the task orders issued by the Contracting Officer. Because their coverage is under a rider, their employer is responsible for directly interacting with the Contractor to order any coverage for their employees. When contacted by the employer, the Contractor shall advise the employer of the paperwork and payment that will be necessary to order coverage for the identified individuals. Because more than one employer may have ORE staff, the Contractor may be contacted by more than one employer (typically the Chief of Mission and Deputy Chief of Mission).

H.4 CONTRACTOR RESPONSIBILITY IN CLAIMS AND REIMBURSEMENT TO CLAIMANTS

General.

The Contractor shall be responsible for all planning, estimating, programming, project management, scheduling, dispatching, supervision, and inspection of work. The Contractor shall maintain his own reference library of technical reference works and local laws and regulations,

through a drop box in the COR's office. The claims shall be picked up from the
COR each Tuesday.

(2) The Contractor shall date stamp and screen all claims submitted on the day
of receipt. If there are any missing documents or information thereby disallowing
said claim to be payable, the Contractor shall notify the employee within two
days, with a copy to the COR (if notification is written).

(3) The Contractor shall settle the claims no later than two weeks from the
date the claim is submitted to the Contractor.

(4) Settlement shall be by issuance of checks in the name of the employee for
each claim submitted. Each check shall be accompanied by a form providing
details of the amount reimbursed with an explanation of deductions, if any.

(c) Payment of Life Insurance Benefits to Beneficiaries. The Contractor shall settle
life insurance claims as follows:
(1) The Contractor shall provide forms for the designation of beneficiaries for the life insurance benefits to the COR. The COR shall have all enrolled eligible employees complete designation of beneficiary forms and keep them in their personnel folders, ORE staff folders, or AERA folders. Upon the death of an enrolled employee, the COR shall provide this form to the Contractor.

(2) The Contractor shall pay the employee's named beneficiary, legal heir, or estate the total amount of the claim within 60 days from the date the Contractor receives a completed dismemberment or death claim. Payment shall be computed on the basis of the coverage as defined in Section C.2.0 and its subparagraphs.

This report shall also include all outstanding claims and a brief description of why claim has not been paid.

H.6. MISCELLANEOUS CONTRACTOR REQUIREMENTS

H.6.1. General. A contract with the U.S. Government conveys no special privileges or immunities to the Contractor. The Contractor is an independent commercial concern and not a part of the U.S. mission. The Contractor's employees are not U.S. Government employees. 52.216-18 ORDERING (OCT 1995)
(a) Any supplies and services to be furnished under this contract shall be ordered by issuance of delivery orders or task orders by the individuals or activities designated in the Schedule. Such orders may be issued from the first day of the ongoing performance period through the last day of that performance period. See F.2.
(b) All delivery orders or task orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order or task order and this contract, the contract shall control.
(c) If mailed, a delivery order or task order is considered "issued" when the Government deposits the order in the mail. Orders may be issued orally, by facsimile, or by electronic commerce methods only if authorized in the Schedule.
(End of clause)

52.216-19 ORDER LIMITATIONS (OCT 1995)

(a) Minimum order. When the Government requires supplies or services covered by this contract in an amount of less than DOP$4,000.00 the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.
(b) Maximum order. The Contractor is not obligated to honor--
   (1) Any order for a single item in excess DOP$1,000,000.00
   (2) Any order for a combination of items in excess of DOP$3,000,000.00; or
   (3) A series of orders from the same ordering office within five (5) calendar
       days that together call for quantities exceeding the limitation in
       subparagraph (1) or (2) above.

(c) If this is a requirements contract (such as, includes the Requirement clause at
    subsection 52.216-21 of the Federal Acquisition Regulation (FAR)), the Government is not
    required to order a part of any one requirement from the Contractor if that requirement exceeds
    the maximum-order limitations in paragraph (b) above.

(d) Notwithstanding paragraphs (b) and (c) above, the Contractor shall honor any
    order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is
    returned to the ordering office within 2 days after issuance, with written notice stating the
    Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this
    notice, the Government may acquire the supplies or services from another source.

(End of clause)

52.216-21 REQUIREMENTS (OCT 1995)

(a) This is a requirements contract for the supplies or services specified, and effective for the
    period stated, in the Schedule. The quantities of supplies or services specified in the Schedule are
    estimates only and are not purchased by this contract. Except as this contract may otherwise
    provide, if the Government's requirements do not result in orders in the quantities described as
    "estimated" or "maximum" in the Schedule, that fact shall not constitute the basis for an
    equitable price adjustment.

(b) Delivery or performance shall be made only as authorized by orders issued in accordance
    with the Ordering clause. Subject to any limitations in the Order Limitations clause or elsewhere
    in this contract, the Contractor shall furnish to the Government all supplies or services specified
    in the Schedule and called for by orders issued in accordance with the Ordering clause. The
    Government may issue orders requiring delivery to multiple destinations or performance at
    multiple locations.

(c) Except as this contract otherwise provides, the Government shall order from the
    Contractor all the supplies or services specified in the Schedule that are required to be purchased
    by the Government activity or activities specified in the Schedule.

(d) The Government is not required to purchase from the Contractor requirements in
    excess of any limit on total orders under this contract.

(e) If the Government urgently requires delivery of any quantity of an item before the earliest
    date that delivery may be specified under this contract, and if the Contractor will not accept an
    order providing for the accelerated delivery, the Government may acquire the urgently required
    goods or services from another source.

(f) Any order issued during the effective period of this contract and not completed within
    that period shall be completed by the Contractor within the time specified in the order. The
    contract shall govern the Contractor's and Government's rights and obligations with respect to
    that order to the same extent as if the order were completed during the contract's effective period;
    provided, that the Contractor shall not be required to make any deliveries under this contract
    after sixty (60) days.
52.217-8  OPTION TO EXTEND SERVICES (NOV 1999)

The Government may require continued performance of any services within the limits and at the rates specified in the contract. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within the performance period of the contract.

(End of clause)

52.217-9  OPTION TO EXTEND THE TERM OF THE CONTRACT (MAR 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within the performance period of the contract or within 30 days after funds for the option year become available, whichever is later.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 5 years.

(End of clause)

52.232-19  AVAILABILITY OF FUNDS FOR THE NEXT FISCAL YEAR (APR 1984)

Funds are not presently available for performance under this contract beyond 30 September of each Government Fiscal Year. The Government's obligation for performance of this contract beyond that date is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise for performance under this contract beyond 30 September of each Government Fiscal Year, until funds are made available to the Contracting Officer for performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer.

(End of clause)

52.237-3  CONTINUITY OF SERVICES (JAN 1991)

(a) The Contractor recognizes that the services under this contract are vital to the government and must be continued without interruption and that, upon contract expiration, a successor, either the government or another contractor, may continue them. The Contractor agrees to (1) furnish phase-in training and (2) exercise its best efforts and cooperation to effect an orderly and efficient transition to a successor.

(b) The Contractor shall, upon the Contracting Officer’s written notice, (1) furnish phase-in, phase-out services for up to 90 days after this contract expires and (2) negotiate in good faith a plan with a successor to determine the nature and extent of phase-in, phase-out services required. The plan shall specify a training program and a date for transferring responsibilities for each division of work described in the plan, and shall be subject to the Contracting Officer’s approval. The Contractor shall provide sufficient experienced personnel during the phase-in, phase-out period to ensure that the services called for by this contract are maintained at the required level of proficiency.
(c) The Contractor shall allow as many personnel as practicable to remain on the job to help the successor maintain the continuity and consistency of the services required by this contract. The Contractor also shall disclose necessary personnel records and allow the successor to conduct on site interviews with these employees. If selected employees are agreeable to the change, the Contractor shall release them at a mutually agreeable date and negotiate transfer of their earned fringe benefits to the successor.

(d) The Contractor shall be reimbursed for all reasonable phase-in, phase-out costs (i.e., costs incurred within the agreed period after contract expiration that result from phase-in, phase-out operations) and a fee (profit) not to exceed a pro rata portion of the fee (profit) under this contract.

(a) Section 8(a) of the U.S. Export Administration Act of 1979, as amended (50 U.S.C. 2407(a)), prohibits compliance by U.S. persons with any boycott fostered by a foreign country against a country which is friendly to the United States and which is not itself the object of any form of boycott pursuant to United States law or regulation. The Boycott of Israel by Arab League countries is such a boycott, and therefore, the following actions, if taken with intent to comply with, further, or support the Arab League Boycott of Israel, are prohibited activities under the Export Administration Act:

(1) Refusing, or requiring any U.S. person to refuse to do business with or in Israel, with any Israeli concern, or with any national or resident of Israel, or with any other person, pursuant to an agreement of, or a request from or on behalf of a boycotting country;

(3) Furnishing information with respect to the race, religion, or national origin of any U.S. person or of any owner, officer, director, or employee of such U.S. person;

(4) Furnishing information about whether any person has, has had, or proposes to have any business relationship (including a relationship by way of sale, purchase, legal or commercial representation, shipping or other transport, insurance, investment, or supply) with or in the State of Israel, with any business concern organized under the laws of the State of Israel, with any Israeli national or resident, or with any person which is known or believed to be restricted from having any business relationship with or in Israel;

(5) Furnishing information about whether any person is a member of, has made contributions to, or is otherwise associated with or involved in the activities of any charitable or fraternal organization which supports the State of Israel; and,

(6) Paying, honoring, confirming, or otherwise implementing letter of credit which contains any condition or requirement against doing business with the State of Israel.

(b) Under Section 8(a), the following types of activities are not forbidden “compliance with the boycott”, and are therefore exempted from Section 8(a)’s prohibitions listed in paragraphs (a)(1) through (6) above:
(1) Complying or agreeing to comply with requirements:

(i) Prohibiting the import of goods or services from Israel or goods produced or services provided by any business concern organized under the laws of Israel or by nationals or residents of Israel; or,

(ii) Prohibiting the shipment of goods to Israel on a carrier of Israel, or by a route other than that prescribed by the boycotting country or the recipient of the shipment;

(2) Complying or agreeing to comply with import and shipping document requirements with respect to the country of origin, the name of the carrier and route of shipment, the name of the supplier of the shipment or the name of the provider of other services, except that no information knowingly furnished or conveyed in response to such requirements may be stated in negative, blacklisting, or similar exclusionary terms, other than with respect to carriers or route of shipments as may be permitted by such regulations in order to comply with precautionary requirements protecting against war risks and confiscation;

(3) Complying or agreeing to comply in the normal course of business with the unilateral and specific selection by a boycotting country, or national or resident thereof, of carriers, insurance, suppliers of services to be performed within the boycotting country or specific goods which, in the normal course of business, are identifiable by source when imported into the boycotting country;

(4) Complying or agreeing to comply with the export requirements of the boycotting country relating to shipments or transshipments of exports to Israel, to any business concern of or organized under the laws of Israel, or to any national or resident of Israel;

(5) Compliance by an individual or agreement by an individual to comply with the immigration or passport requirements of any country with respect to such individual or any member of such individual’s family or with requests for information regarding requirements of employment of such individual within the boycotting country; and,

(6) Compliance by a U.S. person resident in a foreign country or agreement by such person to comply with the laws of that country with respect to his or her activities exclusively therein, and such regulations may contain exceptions for such resident complying with the laws or regulations of that foreign country governing imports into such country of trademarked, trade named, or similarly specifically identifiable products, or components of products for his or her own use, including the performance of contractual services within that country, as may be defined by such regulations.

(End of clause)

K.7 52.209-5 CERTIFICATION REGARDING RESPONSIBILITY MATTERS (OCT 2015)

(a) (1) The Offeror certifies, to the best of its knowledge and belief, that --

(i) The Offeror and/or any of its Principals --

(A) Are [ ] not [ ] presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have [ ] have not [ ], within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving
stolen property (if offeror checks “have”, the offeror shall also see 52.209-7, if included in this solicitation); and
(C) Are [ ] are not [ ] presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision; and
(D) Have [ ], have not [ ], within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds $3,500 for which the liability remains unsatisfied.

1 Federal taxes are considered delinquent if both of the following criteria apply:
(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.
(ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

2 Examples.
(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.
(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.
(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.
(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(2) “Principal,” for the purposes of this certification, means an officer; director; owner; partner; or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division or business segment; and similar positions).

This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror’s responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.

(End of provision)

K.8. 52.209-13 VIOLATION OF ARMS CONTROL TREATIES OR AGREEMENTS – CERTIFICATION (JUN 2018)

(a) This provision does not apply to acquisitions below the simplified acquisition threshold or to acquisitions of commercial items as defined at FAR 2.101.

(b) Certification. [Offeror shall check either (1) or (2).]

________ (1) The Offeror certifies that—

(i) It does not engage and has not engaged in any activity that contributed to or was a significant factor in the President's or Secretary of State's determination that a foreign country is in violation of its obligations undertaken in any arms control, nonproliferation, or disarmament agreement to which the United States is a party, or is not adhering to its arms control, nonproliferation, or disarmament commitments in which the United States is a participating state. The determinations are described in the most recent unclassified annual report provided to Congress pursuant to section 403 of the Arms Control and Disarmament Act (22 U.S.C. 2593a). The report is available via the internet at https://www.state.gov/t/avc/rls/rpt/; and

(ii) No entity owned or controlled by the Offeror has engaged in any activity that contributed to or was a significant factor in the President's or Secretary of State's determination that a foreign country is in violation of its obligations undertaken in any arms control, nonproliferation, or disarmament agreement to which the United States is a party, or is not adhering to its arms control, nonproliferation, or disarmament commitments in which the United States is a participating state. The determinations are described in the most recent unclassified annual report provided to Congress pursuant to section 403 of the Arms Control and Disarmament Act (22 U.S.C. 2593a). The report is available via the internet at https://www.state.gov/t/avc/rls/rpt/; or

________ (2) The Offeror is providing separate information with its offer in accordance with paragraph (d)(2) of this provision.

(c) Procedures for reviewing the annual unclassified report (see paragraph (b)(1) of this provision). For clarity, references to the report in this section refer to the entirety of the annual unclassified report, including any separate reports that are incorporated by reference into the annual unclassified report.
(1) Check the table of contents of the annual unclassified report and the country section headings of the reports incorporated by reference to identify the foreign countries listed there. Determine whether the Offeror or any person owned or controlled by the Offeror may have engaged in any activity related to one or more of such foreign countries.

(2) If there may have been such activity, review all findings in the report associated with those foreign countries to determine whether or not each such foreign country was determined to be in violation of its obligations undertaken in an arms control, nonproliferation, or disarmament agreement to which the United States is a party, or to be not adhering to its arms control, nonproliferation, or disarmament commitments in which the United States is a participating state. For clarity, in the annual report an explicit certification of non-compliance is equivalent to a determination of violation. However, the following statements in the annual report are not equivalent to a determination of violation:

(i) An inability to certify compliance.
(ii) An inability to conclude compliance.
(iii) A statement about compliance concerns.

(3) If so, determine whether the Offeror or any person owned or controlled by the Offeror has engaged in any activity that contributed to or is a significant factor in the determination in the report that one or more of these foreign countries is in violation of its obligations undertaken in an arms control, nonproliferation, or disarmament agreement to which the United States is a party, or is not adhering to its arms control, nonproliferation, or disarmament commitments in which the United States is a participating state. Review the narrative for any such findings reflecting a determination of violation or non-adherence related to those foreign countries in the report, including the finding itself, and to the extent necessary, the conduct giving rise to the compliance or adherence concerns, the analysis of compliance or adherence concerns, and efforts to resolve compliance or adherence concerns.

(4) The Offeror may submit any questions with regard to this report by email to NDAA1290Cert@state.gov. To the extent feasible, the Department of State will respond to such email inquiries within 3 business days.

(d) Do not submit an offer unless—

(1) A certification is provided in paragraph (b)(1) of this provision and submitted with the offer; or

(2) In accordance with paragraph (b)(2) of this provision, the Offeror provides with its offer information that the President of the United States has—

(i) Waived application under U.S.C. 2593e(d) or (e); or

(ii) Determined under 22 U.S.C. 2593e(g)(2) that the entity has ceased all activities for which measures were imposed under 22 U.S.C.2593e(b).

(e) Remedies. The certification in paragraph (b)(1) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly submitted a false certification, in addition to other remedies available to the Government, such as suspension or debarment, the Contracting Officer may terminate any contract resulting from the false certification.

(End of provision)

L.8.5. Following the conference, all prospective offerors who received a copy of the solicitation will be provided a copy of all questions presented in writing prior to the conference, along with answers. If the answer requires a change to the solicitation, a solicitation amendment will also be issued.

L.9 FINANCIAL STATEMENT

If asked by the Contracting Officer, the offeror shall provide a current statement of its financial condition, certified by a third party. This current statement shall include:

Balance Sheet that shows the assets owned and the claims against those assets, or what a firm owns and what it owes; and

Cash Flow Statement that shows the firm’s sources and uses of cash during the most recent accounting period. This will help the Government assess a firm’s ability to pay its obligations.

The Government will use this information to determine the offeror’s financial responsibility and ability to perform under the contract. Failure of an offeror to comply with a request for this information may cause the Government to determine the offeror to be nonresponsible.
SECTION M
EVALUATION FACTORS FOR AWARD

M.1. EVALUATION OF PROPOSALS

M.1.1. General. To be acceptable and eligible for evaluation, proposals must be prepared in accordance with Section L - INSTRUCTIONS, CONDITIONS AND NOTICES TO OFFERORS, and must meet all the requirements set forth in the other sections of this solicitation. Acceptable proposals will be evaluated pursuant to this section, and award shall be made as set forth in M.3 below.

M.2. OVERALL EVALUATION

Proposals will be evaluated in two phases: a technical evaluation to determine the acceptability of the offer to the solicitation technical requirements; and a price evaluation to determine the total evaluated price proposed by each offeror. The "total evaluated price" is the cumulative total of the base year insurance plus all option years for the total estimated quantity specified in Section B.

The Government will make a responsibility determination by analyzing whether the apparent successful offeror complies with the requirements of FAR subpart 9.1, including:

- Adequate financial resources or the ability to obtain them;
- Ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments;
- Satisfactory record of integrity and business ethics;
- Necessary organization, experience, and skills or the ability to obtain them;
- Necessary equipment and facilities or the ability to obtain them; and
- Be otherwise qualified and eligible to receive an award under applicable laws and regulations.

M.3. AWARD SELECTION

M.3.1. General. The award selection will go to the lowest priced, technically acceptable, responsible offeror. As described in FAR 52.215-1, "Instructions to Offerors - Competitive Acquisition,” which is incorporated by reference in Section L, award may be made based upon initial offers, without discussions. The offeror must also be licensed/certified/accredited.

M.3.2. Profit Sharing Credit Plan

In the event of equal proposals and in the event that one offeror presents an acceptable Profit Sharing Credit plan, the offeror proposing the most generous plan, in terms of benefit to the Government will receive the award. This profit sharing credit plan will be part of the resultant contract.
M.4. FIXED PRICES

Offerors must propose fixed prices for the coverage identified in Section B - SERVICES AND PRICES. Proposals that do not include fixed prices cannot be evaluated for the total requirement and will be rejected.

M.5. TECHNICAL EVALUATION

Offers will be evaluated on:

(i) Meeting each of the individual mandatory requirements/minimums for life insurance coverage specified in Section C through H and the Exhibit(s) and submitting an acceptable Management Plan (L.4.3) indicating how vendor will administer the plan and demonstrate an understanding, knowledge and familiarity of the requirements. The Government may reject, as technically, unacceptable proposals that:

(a) Fail to provide the minimum benefits required by the solicitation; or
(b) Offer additional benefits not required by the solicitation (even though there is no increase in the price).
(c) Fail to demonstrate how solicitation requirements will be met.

(ii) The demonstration that the offeror is licensed/certified/accredited or otherwise authorized by the government of the Dominican Republic or its agent (e.g., insurance commission, board) to provide health insurance coverage to persons (to include organizations, companies, groups) within the host country. If the offeror is not licensed/certified/accredited or otherwise authorized by the government of the Dominican Republic it must demonstrate that it is licensed/certified/accredited by a government other than that of the host country to provide health insurance for persons in the Dominican Republic and must demonstrate its capacity to provide health benefits in the Dominican Republic to meet the minimum requirements and other conditions set forth in this solicitation;

(iii) Acceptable relevant Experience and Past Performance; and

(iv) Meet all other terms and conditions set forth in this solicitation.

M.6. 52.217-5 EVALUATION OF OPTIONS (JULY 1990)

The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s).

M.7. PRICE EVALUATION

For the purpose of evaluation, and for no other purpose, evaluation of prices submitted will be made on the basis that the Government will order the estimated quantities shown in Section B – SERVICES AND PRICES, of this solicitation.

M.8. SEPARATE CHARGES
Separate charges, in any form, are not solicited. For example, proposals containing any charges for failure of the Government to exercise any options will be rejected. The Government shall not be obligated to pay any charges other than the contract price, including any exercised options.

M.9 AWARD WITHOUT DISCUSSIONS

In accordance with FAR provision 52.215-1 (included in Section L of this RFP), offerors are reminded that the Government may award this contract based on initial proposals and without holding discussions, pursuant to FAR 15.305(a).

M.10 52.225-17 EVALUATION OF FOREIGN CURRENCY OFFERS (FEB 2000):

If the Government receives offers in more than one currency, the Government will evaluate offers by converting the foreign currency to United States currency using the exchange rate used by the Embassy in effect as follows:

(a) For acquisitions conducted using sealed bidding procedures, on the date of bid opening.

(b) For acquisitions conducted using negotiation procedures—
   (1) On the date specified for receipt of offers, if award is based on initial offers; otherwise
   (2) On the date specified for receipt of proposal revisions.
