Document Instructions

One university-certified original of each diploma, with a professional English translation

If you have not yet received your diploma, please include an official letter from the university stating the date you will receive it, along with a professional translation if the diploma is not in English.

Acceptable diplomas:	✓ Are certified by the university that issued them with the signature, stamp, and/or seal of the dean, registrar, or other university official.
	✓ Issued in the university's primary language of instruction and accompanied by a professional English translation if necessary.
Unacceptable diplomas:	✗ Are certified by a notary or apostille.
	✗ Are photocopies of the certified copies.

One university-issued or university-certified original of every transcript from a post-secondary institution, with a professional English translation

Degree transcripts: Provide original transcript(s) from every post-secondary educational institution you have attended at which you received a degree or have a degree in progress.

Non-degree transcripts: Provide original transcript(s) for **all** post-secondary studies **for which you earned academic credit**, including non-degree, foreign exchange, and incomplete degree programs.

Acceptable transcripts:	✓ Are certified by the university that issued them with the signature, stamp, and/or seal of the dean, registrar, or other university official.
	✓ Contain a grading key/explanation of grade scale (e.g., A = 90 – 100, etc.)
	✓ Issued in the university's primary language of instruction and accompanied by a professional English translation if necessary.
	Institutions in the United States or Canada: acceptable transcripts are sent from the institution directly to Laspau, Suite 203, 25 Mt Auburn St, Cambridge, MA 02138-6095, U.S.A. You are the only person who can legally request your official transcripts.
	Institutions that do not issue transcripts: an acceptable replacement is an original, certified letter from an institution describing your final exam results/performance.
Unacceptable transcripts:	✗ Are certified by a notary or apostille.
	✗ Are photocopies of the certified copies.

Official certification of your GPA and class rank, with a professional English translation

If not included in your transcript, please request an official letter from the dean, registrar, or other university official. If the university does not calculate GPA and class rank, the letter should state this.

Three letters of recommendation

Provide each recommender with the recommendation form available on the [Laspau Portal for Grantees](#). Letters in English are preferable; Spanish and French forms are available and letters with a professional translation are accepted. Letters should be submitted to Laspau electronically; please consult with the Fulbright Commission or Public Affairs Section of the U.S. Embassy for details. U.S. universities require recommenders to submit letters directly to them; Laspau cannot submit letters to universities for you.

One Portfolio (for students in fields of *Arts* or *Architecture* ONLY)

You must **also** follow university requirements to submit electronic or hard copy portfolios directly to universities where you apply. Laspau is unable to submit portfolios to universities on your behalf.

Visual Arts: One DVD/CD with 15- 20 samples of representative work and special interests.

Performing Arts: One DVD/CD with samples demonstrating a variety of styles and periods.

Architecture: One hard copy (not digital) bound portfolio with a concise explanation for each project.
