---

**Questions received during site visit to our office in August 6<sup>th</sup>, 2020:**

1. What is the serial number of the firewall equipment to confirm the enterprise service requested?

*FG100E4Q17011842, Enterprise service has expired and will require to be renewed.*

2. Four access points already in existing inventory, will separate AP be required?

*No. The existing 4 access points as equipment is what will be used.*

3. Can the projector be wireless?

*The projector used can be set up for both wired and wireless connectivity. One wired location is required.*

4. What will be the specifications/configuration for the server backups?

*There are three servers. The configuration is:*

- O Main Server (AC, DNS, windows services)*
- O Second Server for file system (Storage Server).*
- O Backup Server for the File Server and Main Server.*

5. What connectors should be used as the cable runs have been provided?

*The cable runs installed are of the NEXXT Solutions brand. All connectors to be used should be able to be installed and be certified as certification is a requirement.*

6. What additional equipment is already in existence and will require installation?

*The following is a list of equipment that already exists and will be required to be installed. The installation of these equipment should be included in your quote:*

Computer Switch Catalyst Ethernet with 4 SPF	2

**WRITTEN QUOTES**

The offeror shall provide an electronic copy containing all required sections of the written Quote. The offeror must submit the Quote in PDF format. Any offeror that does not comply with the following instructions or does not submit a required component of this RFQ within the allotted period shall not be considered for award. Please direct any questions regarding this Request for Quotations to [SantoDomingoProcurement@state.gov](mailto:SantoDomingoProcurement@state.gov).

**REQUIRED DELIVERY DATE**

For all vendors: Delivery must be made within **30** days after award. Partial shipments are not allowed.

**All items must be new (not used or refurbished).**

This solicitation is issued on an "all or none" basis. Award will be made to the lowest priced quoted offering acceptable products on GSA schedule.

Complete quotations must be received by the date and time specified and include the maximum discounts available.

## SOLICITATION CONSIDERATIONS

All Quotes must be valid for 60 days from the closing date for this solicitation. No exceptions or qualifications.

The Government intends to award a Firm Fixed Price Purchase Order under FAR Part 13 resulting from this solicitation to one (1) responsible offeror whose offer conforming to the solicitation is the Lowest-Priced, Technically-Acceptable. The following factors shall be used to evaluate offers:

- Technical Capability of the item offered to meet the Government requirement.
- Price.

Quotations **must** be submitted in English, via email to [SantoDomingoProcurement@state.gov](mailto:SantoDomingoProcurement@state.gov) and marked **RFQ# PR9142304, no later than 1600hrs local time, on Monday, August 24<sup>th</sup>, 2020.**

The U.S. Government is conducting this acquisition using Simplified Acquisition procedures as outlined in the Federal Acquisition Regulation (FAR), Part 13.

The U.S. Government intends to award a Purchase Order to the responsible offeror submitting the lowest quotation which is technically acceptable. You are encouraged to make your quotation competitive. You are also cautioned against any collusion with other potential offerors regarding price quotations to be submitted. The RFQ does not commit the U.S. Embassy to make any award. The Embassy may cancel this RFQ or any part of it at any time. The Contracting Officer reserves the right to reject any or all quotations and to waive any information, or minor irregularities in quotations received.

In accordance with FAR Provision 52.215-1, the Government reserves the right to make an award based on initial proposals without further negotiation or discussion, following FAR Subpart 15.209 (a).
